Digby-Annapolis Regional Airport
1266 Bloomfield Road
Digby, N.S.
B0V 1A0

Dear Gordon,

On behalf of the International Air Rally organizing Committee and participants as well as Aviation Connection members, I thank you for contributing to the success of the International Air Rally events you hosted in 2007 and 2009.

As you know, our organisation is, every year, in search of partners whose interest is to promote general aviation and provide the best services and facilities to pilots. It is important to our organisation to bring out the best of Canadian aviation friendly destinations to pilots who often come from different parts of the world. Digby will remain in every pilot and guest's memory as one of the best, fun experiences ever.

The stories and pictures published in different magazines including AOPA Pilot 2009 and COPA Flight 2007-2009, as well as on our website are living proof of the outstanding service and great organisation provided by the Municipality of Digby.

The proximity to Maine, makes your airport an ideal place to organise an event at the International level. There is no doubt that the facility has all that is needed to receive a large amount of aircraft, as it did in 2007 and 2009 during the International Air Rally event.

The Digby Pines Resort and Golfers heaven, overlooking the Annapolis basin, provides outstanding and stylish accommodations with great food and service.

Gordon, the International Air Rally is ready for a third round of enjoyment!!! it would be wonderful if the COPA Convention was held in Digby in the near future. We will certainly attend, however, should that not be the case, we will not hesitate to bring our pilots back to Digby should the Governor General's Cup be invited again.

Hoping to have the great pleasure of seeing you all again.

Wishing you all the success you deserve in the promotion of your beautiful region and wonderful people!

Kind regards

Catherine Tobenas
